

Are there many cable tray manufacturers in Morocco

Article Overview

Morocco has a range of cable tray manufacturers and suppliers offering ladder trays, trunking, basket trays, and customized solutions for industrial and commercial projects.

Key Manufacturers and Suppliers

- o Enerca (Tanger) - Specializes in manufacturing cable trays and conduits, serving industrial and commercial sectors in Morocco .
- o SOFAFER (Fes) - Produces metallurgical products including steel sheets, tubes, profiles, and cable trays, suitable for construction and industrial applications .
- o SIMON INTERNATIONAL (Casablanca) - Engaged in manufacturing electrical equipment, including cable management solutions .
- o Cable House - Established in 1983, offers customized cable trays, hose clamps, cable ties, and crimping tools, recognized for high durability and international supply .
- o Brilltech Engineers Pvt. Ltd. - Provides standard and customized cable trays, focusing on quality and industry-grade compliance .
- o Bahra Electric - Supplies metal and non-metallic cable trays, ladders, and trunking systems, with modular designs for easy installation and maintenance .
- o Jeetmull Jaichandlall (P) Ltd. - Specializes in stainless steel (SS) cable trays, catering to industrial and commercial requirements .

Product Range

Moroccan suppliers offer a wide variety of cable tray products, including:

- o Cable Ladders - For heavy-duty cable support and ventilation.
- o Cable Trunking - Enclosed pathways for electrical wiring.
- o Basket Trays - Lightweight, flexible solutions for complex routing.
- o GRP/FRP Trays - Corrosion-resistant options for industrial environments.
- o Cable Struts, Pull Boxes, and Cleats - Accessories for secure and organized cable management .

Advantages of Local Suppliers

- o Customization - Many manufacturers provide tailor-made solutions to meet specific project requirements .
- o Quality Compliance - Products often meet international standards such as IEC, NEMA, and BS EN ISO .
- o Accessibility - Suppliers are located in major cities like Casablanca, Tanger, Fes, and Temara, facilitating logistics and support .

Are there many cable tray manufacturers in Morocco

o Export Capability - Several companies also serve international clients, ensuring reliable delivery and technical support . For procurement, you can contact these companies directly through their websites or request quotes via professional directories like Kerix Morocco . This ensures access to competitive pricing, product specifications, and after-sales support.
