

Article Overview

Key cable tray manufacturers in New Zealand include Tilley & Patton Ltd, Steel & Tube, FDG, and Ideal Electrical Suppliers, offering a wide range of standard and custom cable containment solutions.

Tilley & Patton Ltd

Tilley & Patton Ltd specializes in sheetmetal products and cable support systems, providing both standard and custom-designed cable trays. Their in-house Tech Centre uses SolidWorks and AutoCAD for precision design, and they employ CNC turret punching and brake presses for high-accuracy production. They offer fittings, support brackets, and a full design and manufacturing service across New Zealand, making them suitable for complex or bespoke projects .

Steel & Tube

Steel & Tube offers the EzyTray range, which includes cable trays and ladders suitable for all cable containment needs. They provide full take-offs from plans to quotations, and their products are compatible with BIM-enabled 2D and 3D CAD files. Steel & Tube also integrates with MASTERSPEC and SMARTSPEC for specification-ready documentation, supporting both commercial and industrial projects .

FDG

FDG provides a comprehensive range of cable trays, ladders, baskets, and support products. Their products are available in Pre-Galv, Hot Dip Galv, and custom-painted finishes, and they offer modular, adjustable, and configurable systems. FDG emphasizes ease of installation, future maintenance access, and compatibility with FDG Modframe(TM) and STRUT(TM) systems. They also provide engineering data and support for project-specific requirements .

Ideal Electrical Suppliers

Ideal Electrical Suppliers stocks a wide variety of cable trays and electrical supply products across New Zealand. While primarily a distributor, they offer convenient online ordering and nationwide store access, making them a practical option for standard cable tray solutions .

Summary

For projects in New Zealand, these manufacturers and suppliers provide a range of options from standard to fully customized cable trays, with support for design, installation, and maintenance. Tilley & Patton Ltd and FDG are particularly strong in custom solutions, while Steel & Tube and Ideal Electrical Suppliers offer
