

Cable trays available for sale in Saudi Arabia

Article Overview

Cable trays in Saudi Arabia are available from multiple suppliers offering a wide range of materials, types, and accessories suitable for industrial, commercial, and infrastructure projects.

Key Suppliers and Options

Hitech Fence provides robust cable tray systems designed for heavy-duty applications, including industrial plants, substations, and large MEP projects. Their trays are available in GI, hot-dip galvanized, and powder-coated finishes, suitable for harsh environments like desert sites, rooftops, and coastal areas. They offer complete systems with accessories, fast delivery, and support across Saudi Arabia . Youmats offers over 500 products, including plastic, steel, and aluminum cable troughs, with widths of 600 mm and 800 mm. Their products are suitable for both lightweight office installations and heavy-duty industrial setups. Youmats also provides accessories and fittings, ensuring a complete cable management solution with fast delivery across Saudi Arabia . Mawaris supplies UL-certified ladder and perforated trays made from galvanized iron (GI) and stainless steel, ensuring compliance with safety and durability standards. They provide expert advice and tailored solutions for industrial and commercial projects . Arabian Gratings specializes in FRP and GRP cable trays, including ladder and perforated designs. These trays are corrosion-resistant, UV-resistant, halogen-free, and lightweight, making them ideal for harsh environments. They comply with international standards such as BS50085, NEMA VE 1, BS/IEC 61537, ASTM, and UL. Accessories like bends, reducers, and covers are available to complete installations .

Considerations When Purchasing

- o Material: Choose based on environment and load requirements (GI, stainless steel, aluminum, FRP/GRP, or PVC).
- o Type: Ladder, perforated, straight, inside/outside flange, or omega flange depending on cable routing needs.
- o Size: Widths and heights vary; common options include 75 mm, 100 mm, 150 mm, 300 mm, and 1000 mm.
- o Accessories: Ensure availability of connectors, bends, covers, and clamps for complete installation.
- o Certifications: UL certification and compliance with international standards ensure safety and durability.
- o Delivery and Support: Fast delivery and project support are crucial for large-scale installations.

Summary

Saudi Arabia offers a wide selection of cable trays suitable for diverse applications, from office buildings to industrial plants. Suppliers like Hitech Fence, Youmats, Mawaris, and Arabian Gratings provide durable, certified, and environment-specific solutions with full accessory support and nationwide delivery . When purchasing, consider material, type, size, certifications, and installation support to ensure a reliable and
