

Article Overview

Top Czech manufacturers for fire-resistant cable trays include ARKYS, Basor Electric, Meka, and FEMI-CZ, offering tested, high-quality solutions for industrial and commercial installations.

Key Manufacturers

1. ARKYS ARKYS is a leading Czech manufacturer and supplier of wire mesh cable trays, operating for over 25 years. They provide durable cable management solutions suitable for various industrial and commercial applications, with a focus on quality and local support . 2. Basor Electric Basor Electric specializes in fire-resistant cable trays designed to maintain circuit integrity during fires. Their products undergo rigorous fire resistance testing according to Czech, German, and Slovak standards, ensuring critical systems like emergency lighting, fire alarms, and smoke extractors remain operational . They offer tailored solutions depending on the required duration of circuit functionality. 3. Meka Pro Meka Pro manufactures fire-resistant cable support systems tested according to EN 1363-1 standards. Their portfolio includes over 1,200 fire-tested products, ensuring safe and reliable installations. Meka emphasizes compliance with international standards, safe materials that minimize toxic fumes, and proper installation practices . 4. FEMI-CZ FEMI-CZ produces high-performance metal cable trunking, including ladder, mesh, and solid bottom trays. While primarily focused on structural versatility and large-scale installations, they offer customized solutions suitable for industrial and transport sectors. Their products are designed for durability, ease of installation, and long-term safety .

Considerations for Selection

- o Fire Resistance Certification: Ensure the manufacturer provides products tested for circuit integrity under fire conditions.
- o Material Quality: Galvanized steel, stainless steel, and fiberglass are common for fireproof trays.
- o Installation Support: Some manufacturers, like Basor Electric and Meka, offer guidance for proper installation to maintain fire resistance.
- o Project Scale: FEMI-CZ and ARKYS provide solutions for both standard and large-scale industrial projects. These manufacturers are recognized for their reliability, compliance with fire safety standards, and technical support, making them suitable choices for fireproof cable tray installations in the Czech Republic.
