

Dongya Cable Tray Manufacturer Price Inquiry

Article Overview

Dongya Cable Tray factory prices vary by material, size, and configuration, typically ranging from \$25 to \$120 per meter for standard trays, with customized or corrosion-resistant options priced higher.

Overview of Pricing

Dongya Cable Trays, like other Chinese manufacturers, offer factory-direct pricing that depends on the type of tray, material, and order volume. Common materials include steel, stainless steel, aluminum, FRP (fiberglass reinforced plastic), and epoxy-coated trays. Standard trays are generally more affordable, while specialized trays for corrosive or outdoor environments cost more due to enhanced durability and anti-corrosion properties .

- o Standard Steel Cable Tray: \$25-\$50 per meter
- o Aluminum Cable Tray: \$40-\$70 per meter
- o FRP/GRP Composite Cable Tray: \$60-\$120 per meter
- o Covered or Shielded Trays: Additional \$10-\$30 per meter depending on specifications

Factors Affecting Price

- o Material Type: FRP and epoxy-coated trays are more expensive than standard steel due to corrosion resistance and longevity .
- o Tray Configuration: Ladder, perforated, solid-bottom, or modular trays have different costs; complex shapes like elbows, tees, and risers increase the price .
- o Customization: OEM or custom sizes, load capacities, and color coatings can affect pricing .
- o Order Volume: Bulk orders often receive discounted factory pricing, especially for large industrial projects .
- o Accessories: Brackets, covers, clamps, and hangers are usually priced separately and can add 10-20% to the total cost .

Procurement Tips

- o Request a Quote: Contact Dongya or verified distributors directly to get a tailored quote based on your project requirements .
- o Compare Materials: Choose between steel, aluminum, or FRP depending on environmental conditions and budget .
- o Check Minimum Order Quantities (MOQs): Factory pricing often requires a minimum order to qualify for discounts .
- o Consider Shipping Costs: International shipping and customs duties can significantly affect the final cost.

Dongya Cable Tray Manufacturer Price Inquiry

Conclusion

While exact factory prices for Dongya Cable Trays depend on specifications, standard trays start around \$25 per meter, with specialized or corrosion-resistant trays reaching up to \$120 per meter. For precise pricing, it is recommended to request a direct quote from Dongya or authorized distributors, specifying material, size, and quantity to obtain the most accurate factory price .
