

Article Overview

Key fiber optic connector suppliers in the European Union include Amphenol, Broadcom, Molex, TE Connectivity, Radiall, Neutrik, and specialized distributors like Mouser Europe and MEETOPTICS.

Major Distributors and Manufacturers

- o Mouser Electronics Europe: Authorized distributor for leading fiber optic connector manufacturers such as Amphenol, Broadcom, Glenair, Molex, Neutrik, Radiall, and TE Connectivity. Offers a wide range of connectors, datasheets, and same-day shipping options across Europe .
- o Amphenol Socapex: Provides connectors and interconnection systems, including fiber optic solutions suitable for industrial and telecom applications .
- o Capelec: Offers board connectors, RF & fiber connectors, and switches, serving both commercial and industrial sectors .
- o FCT Group: Manufacturer of connectors and cable assemblies, including fiber optic connectors for high-performance applications .
- o ITT Corporation: Supplies board connectors, RF & fiber connectors, and switches, with a focus on reliability and technical support .
- o Lemo Connectors: Specializes in precision custom connection solutions, including fiber optic connectors for medical, industrial, and telecom applications .
- o Telegartner: Produces fiber optic connectors, coaxial connectors, and surge suppressors, widely used in data and telecommunications networks .
- o WECO Group: Offers a variety of connectors including fiber optic types for electronics modules and printed circuit boards .

Online Supplier Databases

- o MEETOPTICS: A comprehensive platform for sourcing photonics and fiber optic components across multiple manufacturers. It allows comparison of specifications, pricing, and availability, and supports multi-supplier orders with simplified logistics .
- o Volza EU Fiber Optic Suppliers Database: Lists over 1,800 verified fiber optic cable and connector suppliers in the EU, including shipment data, pricing, and direct contacts for procurement managers . These suppliers and platforms provide a robust network for sourcing fiber optic connectors in the EU, covering a wide range of applications from telecommunications and data centers to industrial and medical uses. They also offer technical support, datasheets, and the ability to compare multiple manufacturers efficiently.

OPTOKON offers a wide range of fiber optic connectors, patchcords, pigtails, and assemblies designed for
