

Example Price of Pigtail Fabric

Article Overview

Pigtail fabric prices generally range from around GBP1 per metre to higher custom or designer prices depending on the vendor and design.

Online Marketplaces and Retailers

- o Pound Fabrics (UK) offers a wide range of fabrics at affordable prices, with some fabrics starting from GBP1 per metre, making it one of the most budget-friendly options for standard fabrics, including patterned or novelty designs .
- o Spoonflower provides pigtail-themed fabrics by the yard or meter, with prices varying based on the type of fabric (cotton, canvas, or specialty materials) and custom designs. Typical prices for standard cotton fabrics start around \$17-\$25 per yard, while custom or designer prints may cost more .
- o Etsy features handmade or unique pigtail fabrics from independent sellers. Prices vary widely depending on fabric type, print complexity, and seller, generally ranging from \$10 to \$30 per yard for standard cotton fabrics .
- o Greenwood Fiberworks focuses on hand-dyed yarn and roving rather than traditional fabric, so it is more relevant for fiber arts rather than sewing fabric .

Factors Affecting Price

- o Fabric type: Cotton is usually cheaper, while linen, silk, or specialty blends cost more.
- o Design complexity: Custom or hand-dyed patterns increase the price.
- o Quantity purchased: Buying in bulk may reduce the per-yard or per-metre cost.
- o Shipping and location: International shipping or expedited delivery can add to the total cost.

In summary, if you are looking for affordable pigtail fabric, Pound Fabrics offers the lowest starting prices, while Etsy and Spoonflower provide more unique or designer options at higher prices. For custom or specialty fabrics, expect to pay more depending on the material and design complexity.
