

Export price quote for dual-core fiber optic distribution boxes from Greece

Article Overview

You can obtain export price quotes for dual-core fiber optic distribution boxes from verified Greek suppliers through B2B platforms and direct manufacturer inquiries.

Greek Suppliers and B2B Platforms

To source dual-core fiber optic distribution boxes from Greece, you can use platforms like Europages, which allow you to submit a single request and receive multiple quotes from verified suppliers . This platform lists wholesalers and distributors specializing in fiber optic products, including indoor and outdoor distribution boxes.

Product Specifications

Dual-core fiber optic distribution boxes are typically designed for FTTH/FTTX networks, offering features such as:

- o Durable, high-impact ABS+PC materials for mechanical protection
- o Waterproof and dustproof ratings (IP65-IP68) suitable for indoor and outdoor deployment
- o Versatile mounting options for walls, poles, or cabinets
- o Capacity for fiber splicing and patching, ensuring network reliability

Obtaining Export Quotes

- o Direct Manufacturer Contact: Companies like OTRANS and Gcabling provide wholesale pricing and can issue export quotes upon inquiry . You can request quotes specifying:
 - o Dual-core configuration
 - o Quantity required
 - o Delivery location
 - o Any customization or certification requirements
- o B2B Marketplace Requests: On Europages, you can create an inquiry to multiple Greek distributors simultaneously, which helps compare prices and shipping terms .
- o Consider Shipping and Payment Terms: Export quotes typically include FOB or CIF pricing, lead times, and payment terms (e.g., 30-60 days), which can vary by supplier .

Recommendations

- o Prepare a detailed RFQ (Request for Quotation) including core count, IP rating, quantity, and delivery

Export price quote for dual-core fiber optic distribution boxes from Greece

requirements.

- o Compare multiple suppliers to ensure competitive pricing and reliable shipping.
- o Verify supplier certifications and product compliance with international standards (e.g., IEC 60529 for IP ratings). By following these steps, you can efficiently obtain export price quotes for dual-core fiber optic distribution boxes from Greece and select the most suitable supplier for your needs .
