

Fiber optic patch cords for sale in North Africa

Article Overview

You can source fiber optic patch cords near North Africa from suppliers in Dubai, South Africa, and East Africa, with options for single-mode, multimode, and various connector types.

Suppliers in Dubai (Gulf Region)

Dubai serves as a regional hub for fiber optic products, offering fast delivery to North Africa. Key suppliers include:

- o D-Connect: Offers single-mode, multimode, FTTH, and armored fiber optic cables with Etisalat & DU approval, suitable for telecom and enterprise networks .
- o FiberLink UAE: Provides cost-effective multimode and FTTH cables with local inventory for quick dispatch .
- o Emirates Fiber Solutions: Specializes in outdoor and armored fiber optic cables for large-scale infrastructure projects . These suppliers provide local support, bulk pricing, and compliance with regional telecom standards.

Suppliers in South Africa

South African distributors can ship to North African countries and offer a wide range of patch cords:

- o Switchcom Distribution: Stocks SC/APC, LC-LC, and multimode OM3 fiber patch cords in various lengths .
- o FiberWareHouse: Offers simplex and duplex patch cables, including E2000/APC and FC/APC connectors .
- o Cables.co.za: Provides single-mode and multimode fiber patch cords with low-loss connections for reliable data transmission .
- o Fibrecables.co.za: Specializes in MT-RJ, LC, SC, ST, FC, and E2000 connectors for high-density applications .

Suppliers in East Africa

For countries like Kenya, Uganda, and Tanzania, online stores provide convenient access:

- o TDK Tech Store (Kenya): Offers single-mode and multimode LC-LC, SC-SC, and SC-LC fiber patch cords, with delivery across East Africa including Nairobi, Dar es Salaam, and Kampala .

Global Manufacturers and Online Options

If shipping from outside the region is acceptable, several manufacturers provide worldwide delivery:

Fiber optic patch cords for sale in North Africa

- o Global Sources: Lists multiple Chinese manufacturers and exporters of fiber optic patch cords with OEM/ODM options .
- o Europages: Features verified suppliers from Europe and Turkey delivering worldwide, including single-mode and multimode patch cords .
- o Cables Plus USA: Offers a wide range of fiber optic patch cables, including high-density and pre-terminated options, with international shipping .

Tips for Selecting a Supplier

- o Connector Type: Choose LC, SC, ST, FC, or E2000 based on your equipment.
- o Cable Mode: Single-mode for long-distance, multimode for short-distance connections.
- o Compliance: Ensure products meet local telecom standards (e.g., Etisalat & DU in the Gulf).
- o Delivery & Support: Prefer suppliers with regional warehouses or fast shipping to North Africa.
- o Bulk Orders: Many suppliers offer discounts for large quantities. By leveraging suppliers in Dubai, South Africa, and East Africa, you can access a wide range of fiber optic patch cords suitable for both commercial and industrial applications in North Africa.
