

Article Overview

Grenada can source ladder cable trays from international manufacturers and distributors offering high-quality cable management systems suitable for commercial and industrial projects.

Key Manufacturers and Suppliers

- o Emit Metal Elektrik Imal (Turkey) Emit Metal is a leading manufacturer of metal cable trays, ladders, and trunking systems with a monthly production capacity exceeding 1,000 tons. They specialize in durable ladder cable trays suitable for industrial and commercial installations and can supply internationally, including Grenada .
- o Basor Electric (USA/Global) Basor Electric provides a wide range of cable tray and ladder systems, including ventilated and solid-bottom ladder trays. Their products are designed for commercial and industrial applications, with technical documentation, BIM 3D models, and customizable fittings for complex installations .
- o Atkore Trof (USA) Atkore offers prefabricated mill-galvanized steel ladder cable trays, including ventilated and solid-bottom options. Their systems are NEMA Standard VE-1 certified and include a variety of fittings such as elbows, tees, reducers, and J-Hooks for flexible cable routing. These products are suitable for datacenters, hospitals, schools, and industrial facilities .
- o Alfred & Alfred (Grenada) While primarily a general trading company, Alfred & Alfred in Grenada supplies aluminum ladders and scaffolding, and may provide local sourcing or import assistance for ladder cable trays .

Considerations for Sourcing

- o Material and Finish: Ladder cable trays are commonly available in galvanized steel, stainless steel, aluminum, or epoxy-coated finishes depending on environmental conditions and load requirements.
- o Standards and Certifications: Look for NEMA, IEC, or local compliance certifications to ensure safety and durability.
- o Customization: Many suppliers offer custom lengths, widths, and fittings to accommodate complex routing and installation requirements.
- o Local Import Options: For Grenada, international suppliers like Emit Metal, Basor Electric, and Atkore can ship products, while local distributors like Alfred & Alfred may assist with import logistics and support. By contacting these manufacturers or distributors directly, businesses in Grenada can obtain quotes, technical specifications, and delivery options for ladder cable tray systems suitable for their projects .
