

Lebanese cable tray support and bracket manufacturer

Article Overview

Kivolt and SFSP Lebanon are leading manufacturers and suppliers of cable trays and support systems in Lebanon.

Key Manufacturers and Suppliers

1. Kivolt Lebanon Kivolt supplies a wide range of cable trays, ladder trays, trunking, and cable management systems suitable for commercial, industrial, and infrastructure projects. They offer perforated, non-perforated, hot-dip galvanized, stainless steel, and aluminum cable trays, designed for durability and compliance with international standards. Kivolt also provides cable tray supports and MEP solutions, serving contractors, consultants, and project developers across Lebanon and the Middle East . 2. SFSP Lebanon SFSP Lebanon specializes in cable trays, accessories, and cable support systems. Their products include pre-galvanized, hot-dip galvanized, stainless steel, and aluminum trays, manufactured according to BS EN, NEMA, and CENELEC standards. SFSP also produces metal framing channels and support systems for cable trays and ladders, with customizable lengths and finishes such as pre-galvanized or hot-dip galvanized coatings . 3. Kompass Directory Listings The Kompass Lebanon directory lists multiple steel product manufacturers that produce cable trays and related support systems. Notable companies include Kivolt and other regional suppliers with offices in Lebanon and branches in the UAE, Egypt, and Saudi Arabia. These manufacturers provide mechanical cladding fixation, cable ladders, basket trays, PVC conduits, and concrete accessories, making them suitable for large-scale electrical and construction projects .
