

Article Overview

Key manufacturers of armored optical and power cables in Nepal include Bhusal Cable and Wire Industries, Annapurna Cable Industries, and Technovate International.

Bhusal Cable and Wire Industries Pvt. Ltd.

Bhusal Cable and Wire Industries, headquartered in Butwal with a factory in Basantapur, Rupandehi, manufactures a wide range of cables including armored and unarmored power cables. They produce copper, aluminum, and PVC-based cables under strict quality control, holding NS and ISO certifications. Their products are distributed across Nepal, and the company emphasizes quality management and customer service, making it a reliable source for armored cable solutions .

Annapurna Cable Industries Pvt. Ltd.

Located in Biratnagar, Annapurna Cable Industries is one of Nepal's leading cable manufacturers. They produce XLPE/PVC coated armored and unarmored power cables for both aluminum and copper conductors. The company imports high-quality raw materials and maintains a fully equipped laboratory to ensure product quality. Annapurna is known for its Rath and Annapurna brands, which are recognized for innovation, durability, and compliance with industry standards .

Technovate International Pvt. Ltd.

Technovate International, established in 2017, specializes in fiber optic products and solutions for ISPs and cable TV operators in Nepal. While they primarily import products from international partners, they provide end-to-end solutions including armored optical cables, installation, and after-sales support. Technovate focuses on quality, professionalism, and timely customer service, making them a key distributor and solution provider in Nepal's optical cable market .

Additional Manufacturers

Other notable companies include Janaki Cable Industry, which is ISO 9001:2015 certified and produces high-quality wires, ACSR conductors, and power cables suitable for armored applications . A broader list of cabling and fiber optics companies in Nepal can be found through industry directories, which include verified manufacturers and suppliers .

Summary

Nepal Armored Optical Cable Manufacturer

For armored optical cable needs in Nepal, Bhusal Cable and Wire Industries and Annapurna Cable Industries are primary manufacturers with in-country production capabilities, while Technovate International serves as a key supplier and solutions provider. These companies offer certified, high-quality products suitable for telecom, power, and industrial applications, with strong emphasis on quality control and customer support.
