

Article Overview

Leading manufacturers of electrical distribution boxes in Pakistan include Alfazal Industry, Hero Electric, Reliable Electric, and MEK Pakistan, offering a range of industrial, commercial, and residential solutions.

Alfazal Industry

Alfazal Industry manufactures indoor and outdoor electrical panels and distribution boxes in Karachi, Lahore, and Islamabad. Their product range includes LT panels, motor control panels, LV panels, start-delta and DOL junction boxes, and solar DC/AC combiner panels. They use high-quality components from brands like Siemens, Schneider, ABB, Terasaki, and Hager, ensuring safety and reliability. Alfazal also provides customization options and technical support for installation, troubleshooting, and maintenance, making them suitable for industrial and commercial applications .

Hero Electric

Hero Pak Electrical Industries Pvt. Ltd., based in Sargodha with offices in Lahore, Rawalpindi, Sukkur, Quetta, and Karachi, has been manufacturing electrical accessories since 1974. They are ISO 9001-2000 certified and emphasize quality, R&D, and customer feedback. Hero Electric produces a variety of distribution boxes suitable for residential and industrial use, supported by a nationwide dealer network covering 94% of Pakistan's population .

Reliable Electric

Reliable Electric offers distribution boxes for residential, commercial, industrial, solar, and EV applications. Their products support three-phase power systems and are marketed as 100% original, durable, and high-quality. Reliable Electric is recognized as a leading stockist and importer of electrical products in Pakistan, providing modern technology solutions and a 60-day free return policy .

MEK Pakistan

MEK Pakistan provides a range of electric distribution boxes and enclosures suitable for various industrial and commercial applications. They offer easy customer support through phone, email, or mailing address, ensuring prompt assistance for inquiries and orders .

Summary

For businesses or factories in Pakistan seeking electrical distribution boxes, these manufacturers provide

Pakistani electrical distribution box manufacturer

reliable options with customization, safety compliance, and technical support. Alfazal Industry is notable for industrial-grade panels and customization, Hero Electric for its long-standing reputation and dealer network, Reliable Electric for high-quality imported products, and MEK Pakistan for accessible customer service and enclosures. Choosing a manufacturer depends on the specific application, scale, and technical requirements of your facility.

All these efforts have made HERO a highly reputed brand in the homeland of Pakistan. We place great emphasis on the R&D practices.
