

Price List for Custom-Made Cable Trays in Palestine

Article Overview

Custom-made cable trays in Palestine are available from multiple suppliers, with prices varying based on material, size, configuration, and customization; detailed quotes are provided upon inquiry.

Suppliers and Customization Options

- o Jeetmull Jaichandlall (P) Ltd Offers a wide range of cable trays in various sizes, shapes, and colors. They provide custom fabrication to meet industry-specific requirements, using modern equipment and advanced technology to ensure high-quality products. Pricing is tailored to the specifications of each order, so contacting them directly is recommended for a quote .
- o Micro Sheet Crafts Provides modular and customized cable trays made from high-grade steel and other durable materials. They emphasize affordability and quality, offering competitive market prices. Customers can submit inquiries via phone, WhatsApp, or email to receive a detailed price list based on their requirements .
- o Cable House Known for durable and reliable cable trays manufactured with graded raw materials and modern technology. They supply a comprehensive range suitable for different industries, and prices are competitive and dependent on customization. Interested buyers are encouraged to send an inquiry to obtain a quote .
- o Brilltech Engineers Pvt. Ltd Specializes in galvanized and ladder cable trays, offering customization in size, dimensions, material, and length. Their products are widely used in electrical, automotive, and construction industries. Pricing is customized based on specifications, and inquiries can be submitted online or via phone for a detailed quote .

How to Obtain a Price List

- o Submit an Inquiry: Most suppliers provide a form on their website or accept email/WhatsApp requests. Include details such as material type, dimensions, load capacity, and quantity.
- o Request a Quote: Suppliers will provide a customized price based on your specifications.
- o Compare Options: Consider factors like material quality, durability, delivery time, and after-sales support in addition to price.

Key Considerations

- o Material: Steel, galvanized steel, or aluminum options affect cost and durability.
- o Configuration: Ladder, perforated, or solid-bottom trays may have different pricing.
- o Customization: Special sizes, coatings, or load capacities can influence the final price.
- o Delivery: Some suppliers may include shipping costs or offer local delivery options. For the most accurate and up-to-date pricing, it is recommended to contact the suppliers directly with your project specifications to
