

Price of waterproof electrical distribution boxes in Brazil

Article Overview

Waterproof electrical distribution boxes in Brazil typically range from BRL 150 to BRL 1,200 depending on size, material, and IP rating.

Price Overview

The cost of waterproof distribution boxes varies based on several factors:

- o **Material:** Polycarbonate (PC) plastic boxes are lighter and more affordable, while stainless steel boxes offer higher durability and corrosion resistance, costing more .
- o **Size and Number of Ways:** Small boxes with 4-12 ways generally cost BRL 150-400, medium boxes with 12-24 ways range BRL 400-800, and large boxes with 24-39 ways can reach BRL 800-1,200 .
- o **IP Rating:** IP65-rated boxes are standard for outdoor waterproofing, while higher ratings (IP66/IP68) may increase the price .
- o **Layers and Features:** Single, double, or triple-layer designs, transparent covers, and additional cable management features can affect pricing .

Sourcing Options in Brazil

- o **Local Suppliers:** Brazilian distributors and wholesalers offer a wide range of waterproof distribution boxes suitable for industrial, commercial, and residential applications .
- o **Used Equipment:** Platforms like Machinio list used power distribution boxes, which can be a cost-effective option for industrial projects .
- o **Imports:** Brazil imports electrical distribution boxes from countries like Vietnam, Indonesia, and the United States, with verified suppliers and buyers tracked through trade intelligence platforms .

Recommendations

- o Compare local and imported options to balance cost and quality.
- o Ensure the box meets IEC standards and local electrical codes for safety and compliance .
- o Consider long-term durability and environmental exposure when selecting material and IP rating. By evaluating these factors, buyers in Brazil can select waterproof electrical distribution boxes that meet both budget and technical requirements.
