

## Article Overview

Opatrech Systems, Nemstech Supplies, and AEDHS.com are key suppliers of optical cable headers and fiber optic components in Zimbabwe.

## Key Suppliers

Opatrech Systems Based in Harare, Opatrech Systems specializes in ICT equipment, networking components, and fiber optic accessories, including connectors, adapters, splitters, and termination products suitable for optical cable headers . They serve commercial, industrial, and telecommunications sectors, providing both products and installation support. Nemstech Supplies Operating since 2005, Nemstech Supplies caters to system integrators, installers, and telecom operators across Zimbabwe. They offer a broad portfolio of fiber optic products, including high-quality optical cable headers, connectors, and related accessories, with a focus on reliable supply and technical guidance . AEDHS.com AEDHS.com supplies fiber optic products to resellers and dealers in major Zimbabwean cities such as Harare, Bulawayo, Mutare, and Gweru. They stock products from leading brands like Molex, VIAVI, and Fluke Networks, covering optical cable headers, patch cords, and testing equipment . They also provide door-to-door delivery and maintenance support.
